

Join the PTSA Today!

Welcome back! Our primary goal this year is to increase student involvement in our PTSA. We hope you will not only become a YMS PTSA member but also consider sharing your unique gifts with our student membership. Middle School is a time when young people need their parents more than ever!

Student PTSA Member Benefits

You are the "S" in PTSA! Enjoy early admission to dances, receive treats on Spirit Days and most importantly, participate in decision making about PTSA related school events.

Adult PTSA Member Benefits

Adult PTSA members receive discounts at several local businesses around town. See the back of this page for a list. We transitioned to a PTSA a few years ago in an effort to give students an opportunity to both lead and give input about their school. This does not change our commitment to parent involvement. You know first hand the unique challenges our young people face in this digital age. We need mentors for our future leaders and we hope you will do what you can to support our efforts in giving our children every possible opportunity to grow. We will do our best to keep you updated on what's happening at YMS and with PTSA and always welcome your input and participation.

Thank you for supporting the Yorktown Middle School PTSA!

Any questions, contact Mandy Hunt mandy.hunt@cox.net
